HELLO.

A little about us

We are famous for our award winning burgers which are made by hand in restaurant every day from traditionally reared, grass fed, prime Scottish beef that is 100% fully traceable. Our menu also has a wide selection of Red Tractor farm assured chicken burgers, succulent lamb burgers and tasty vegetarian, vegan and gluten free burgers.

Our Glasgow city centre restaurant is situated in a magnificent grade two listed building in St Vincent Street. We have maintained the architectural beauty of the original building and have created a split level restaurant offering our amazing handmade burgers along with three multi-purpose meeting rooms and a twenty seat cinema room which can be used for movies or presentations.

The quirky meeting rooms can hold up to ten people, are equipped with the latest technology and are ideal for meetings, presentations, interviews, birthdays and private functions. The meeting room spaces have even been used for photo shoots and wedding receptions. Our Events Manager is happy to help with your requirements and will guide you through all of the available options.

Our St Vincent Street restaurant is perfectly located in Glasgow city centre and is easily accessible. We are a 2 minute walk from Buchanan subway, a 3 minute walk from Glasgow Central Station, a 10 minute walk from Buchanan Bus Station and a 30 minute drive from Glasgow Airport, (exit at junction 18 of the M8), and follow directions for the city centre.

OUR FOOD

AT HANDMADE BURGER CO. WE ARE PASSIONATE ABOUT GREAT FRESH FOOD AND USE ONLY THE FRESHEST AND FINEST INGREDIENTS FOR YOU TO ENJOY. WE DON'T COMPROMISE ON QUALITY AND USE ONLY THE BEST BRITISH PRODUCE.

We are famous for our award winning burgers which are handmade from traditionally reared, grass fed, 100% fully traceable prime Scottish beef which is sourced from Aberdeenshire.

Our chefs make over 40 varieties of handmade and hand pressed burgers from scratch every day in the restaurant. As each burger is made by hand, you can tailor your burger with a range of toppings to have it just the way you want it! The menu also has a wide selection of fabulous British chicken and vegetarian options along with a separate gluten free menu (accredited by Coeliac UK) and a range of vegan options too! We also have a great menu range for children, all made from the freshest and finest ingredients.

Our handmade chips are made from the mighty Maris Piper potato! The floury texture helps to create a perfect golden chip that is fluffy on the inside and crispy on the outside. Our restaurants receive deliveries of farm fresh potatoes up to six times a week to ensure that the chips are as fresh as possible. You'll even spot the potato sacks when you visit! Each potato is peeled, cut and double fried to give you fresh chips that will rival any homemade ones!
